Let us plan your bites

Made for mingling

Serve as welcome bites, during a cocktail reception or alongside your main event menu. These are canapé portions, not a full meal. The four-bite selection is a light welcome; six and eight bites offer a broader tasting.

Service and presentation

Your quote will confirm the serving format, equipment and any staffing needed for your venue. Share your preferred service time so we can plan the quantities and presentation.

Allergens and preferences

Please tell us about allergies and dietary requirements before booking. Suya spice may contain groundnuts; fish boats contain fish and prawn skewers contain shellfish. Buns, tortillas, sausage, sauces and finishes may contain wheat, milk or egg.
